

Patrick Samuels, CSP, CAWC

Supervisor, Loss Control Services

517-708-5871

Patrick.Samuels@AccidentFund.com

Patrick has been part of the Accident Fund team since 2007. Based in Indiana, he oversees consultants and services in the Great Lakes.

With over 18 years of experience in loss control, Patrick's previous experience includes working as a certified fire and explosion investigator (CFEI) in Ohio and an origin and cause investigator, representing various insurance companies. He was also an insurance adjuster for a catastrophe company until he became involved with risk management services in 2002.

Patrick obtained a bachelor's degree from Purdue University and an associate's degree from Akron University. He also holds the Certified Safety Professional (CSP) and Certified Authority on Workers' Compensation (CAWC) designations and is a member of the American Society of Safety Professionals (ASSP).
