

## Jim Mattson, AFIS, CSP, CAWC

### Senior Loss Control Consultant

517-582-1792

[Jim.Mattson@AccidentFund.com](mailto:Jim.Mattson@AccidentFund.com)

With more than 30 years of safety experience, Jim joined Accident Fund in 2022 as a senior loss control consultant, providing loss control services to policyholders in South Central and Southeast Michigan.

Prior to joining Accident Fund, he held positions as safety director for a multi-national scrap company, a large staffing agency and a waste management firm. Jim also served as a loss control consultant for insurance agencies and a multi-line insurance carrier. His experience gained from these positions aid him in hazard identification and in implementing strategies to address and correct hazards. Jim also has an extensive background in working with construction contractors, fleet operators and manufacturing companies to reduce losses and enhance their safety culture.

Jim earned a Bachelor of Science in industrial and environmental health management from Ferris State University in 1990. He is an adjunct professor in industrial and construction safety standards and best practices at Lansing Community College. Jim holds the Agribusiness and Farm Insurance Specialist certification (AFIS), Certified Safety Professional (CSP) and Certified Authority on Workers' Compensation (CAWC) and is a member of the American Society of Safety Professionals Southeast Michigan Chapter
